There are ~ 29 that are QA ready....but not posted. The comments are all in the folders on the OneDrive. There is also an Excel spreadsheet of the comments.

Debra,

When I go to the docket I only see 14 comments. Have some not posted?

I wanted to see the CBD comments in full, but they are among the 29 that I do not see. Would you mind sending them?

Thanks,
Mark

Hi Team:

In order to keep the decision memo moving forward with review, we decided that the RTC will be a separate memo posted to the docket.

We drafted the RTC memo and have provided responses wherever possible (~80%), but we need team expertise and input as indicated in Comment Boxes throughout the document to get it to the finish line - **by noon Monday** in keeping with senior management directive.

The draft memo is located on the OneDrive in the 1-5-21 New Aldicarb Documents folder.

Summary of Comments (43 unique):

The positive and negative comments were downloaded from FDMS and are on the OneDrive as well.

The positive comments are from grower groups, citrus owners, applicators, the USDA.

Most of the usual players have submitted comments against the approval:

Center for Biological Diversity (CBD)

Environmental Justice

Environmental Working Group

US Research group – mass signature campaign (Small comment – 7975 signatures)

Individuals and anonymous

Let us know if you have any questions.

Thank you.

Debra
